

## About Us

---

Wehbe Insurance Services (WEHBE) has distinctively established itself in the UAE as an insurance intermediary, working on a national, regional and international scale. With 40 years experience in the industry, our sole aim is to offer our private and corporate clients the most comprehensive solutions from a range of insurance companies. Our coverage is designed for the exclusive person and individualised to protect your most valuable possessions. We offer our distinguished clients superior service with a dedicated consultant.

## Our Mission

WEHBE guides you through the complex world of insurance. We created ULTIMATE specifically for the high net worth client. Our professional consultants will arrange a policy that is uniquely shaped to meet your specific needs. We ensure you understand your policy in the simplest terms with no technical jargon, so you know exactly what is covered. Once we select the insurer, we become your personalised mediator and will deal with them promptly and effectively. Should a loss occur, we will be by your side, handling all the necessary paperwork and making sure your settlement is achieved in a swift and efficient manner. Our years of experience in the UAE and the rest of the world are what set us apart.

### Ultimate Home Policy

The Home Insurance policy offers you the most comprehensive and competitive protection plan for your home. We have negotiated the best terms for our clients with the most secure insurers in the market. We know you feel strongly about your possessions and it is only natural that we protect them with a policy that is as solid as our guarantee. The exclusive individual demands an elite service that is quick and efficient. Our commitment to you is rooted in trust, which is why we personally assign a dedicated consultant to work with you and ensure you get maximum protection and professional advice.

ULTIMATE Home Policy provides you with some of the broadest coverage available:

- Wider Building Cover: This includes structures such as murals, swimming pools, tennis courts, out-houses, perimeter walls and more.
- Wider Contents Cover: We repair or replace damaged items on a new-for-old basis, accidental damage is included.
- Special Coverage: All Risk Cover for antique furniture, fine art and jewelry, which includes restoration of damaged antiques and artworks and loss of value for pairs and sets.
- Multiple Properties: Our coverage includes other properties in Europe and the Middle East under one policy with similar benefits and terms.
